# HISTORY

The difference between something good and something great is attention to detail. Mizuno not only supports sporting activities by offering better sporting goods but also develops products and services that make the most of the value of sports and actively spread that in daily life.

1900

1910

Mizuno shop begins to manufacture baseballs and gloves.

1921

Mizuno starts making sweaters for the colleges and baseball league in Japan.

1933

Mizuno first Japanese manufactured golf clubs.

1938

Mizuno established R&D department. The worlds first sports innovation centre.

1972

Supply sporting goods for the Japanese delegation to the Sapporo Olympic Games.

1982

Runbird athletics shoe goes on sale.

1991

New world record set for the 100m dash in Mizuno footwear.

1994

Innovation of Mizuno's climate control technology Breath Thermo.

2020

2016

Mizuno sign with British Rowing as their technical apparel partner.

2018

Chambéry Handball Team partner with Mizuno for teamwear apparel.

Please be aware that the sizing for inline and bespoke product is slightly different. This is dependent on the sport and activity the customer requires the product for. Mizuno recommends that the customer tries on the product before placing the order. Sizing samples can be arranged by contacting your Mizuno Sales Representative.

The measurements shown in the table are expressed in centimeters and indicate a range of average measurements between the minimum and maximum measurements for the corresponding size.

Average Height is given as a general guide. Length of products may vary, as they are adapted to meet sport specific requirements.
